SPECIFICATION

Ceramic-Steel chalkboard surfaces combine an excellent erasability with wear resistance, durability and product lifetime warranty. Our smooth matte finish chalk surfaces will not leave “ghosting” and yield less chalk dust for a cleaner, healthier environment. Proper use and maintenance will keep your board looking like new

Magnet Capability

The CeramicSteel surfaces are ideal for all magnets and magnetic impregnated materials and will not be scratched or damaged from the contact.

Flame Resistant

The Porcelain-On-Steel surface is 100% non-combustible.

CeramicSteel Cleaning Instructions

Before the first use of your CeramicSteel

If present, remove the protective film.

Wipe board with a clean cloth moistened with a high-quality whiteboard cleaner.

Wipe surface dry with a clean cloth.

Daily cleaning instructions for your CeramicSteel:

Wipe surface with a clean cloth moistened with warm water.

Wipe surface dry with a clean cloth.

Weekly cleaning instructions for your CeramicSteel:

Wipe surface with a clean cloth moistened with a high-quality whiteboard cleaner.

Wipe surface dry with a clean cloth.

Surfaces used moderately should be cleaned two to three times per week. Surfaces used more intensely may require daily cleaning.

Note: Using an inappropriate cleaner may result in poor dry erase quality due to the buildup of residue from the cleaner on the surface.
